Good Morning Anne,

My name is Christina Motilall and I am working on a Spanish Labeling pilot program through the Office of Pesticide Programs at the EPA. I was given your name by Virginia Ruiz at Farmworker Justice as a potential party interested in giving feedback on our Spanish Labeling program.

We are planning a conference call in the next coming weeks to give an update on the pilot and to get opinions and thoughts. Would you be interested in participating? If so, what times in the next few weeks work for you?

If you have any questions, please let me know. I look forward to hearing from you. Have a great day.

Sincerely,

Christina Motilall
